SECTION 1 – GENERAL**1.1 Universal Emergency Number Service – 9-1-1**

Where requested by local government authorities, and subject to the availability of facilities, the Company will provide a universal number “911” dialing to its customers for simplified emergency access police, fire, and other emergency services. 911 calls will be routed for answering to a Public Safety Answering Point (PSAP) as designated by the local government unit authorized to establish and operate such systems. The Company does not undertake to answer and forward 911 calls, but furnishes the use of its facilities to enable the local government unit or its designee to answer and respond to such calls.

The 911 Calling Party, by calling 911 Service, gives consent for the Company to provide 911 information consisting of the name, address, telephone number, and other calling party information when available, to Law Enforcement Agencies and other emergency service providers on a call-by-call basis for the purpose of enabling those agencies or service providers to respond to emergency calls for assistance. Database inquiries for 911 information consisting of name, address, telephone number and other information when available, will only be allowed for purposes of dispatching or responding to 911 emergency calls or integrity verification as prescribed by the applicable state codes, rules or legislation.

Customers with Unlisted or Nonpublished numbers as well as those customers who have requested per line blocking forfeits the privacy afforded by these services on calls made to 911.

The provision of 911 Service by the Company shall not be interpreted, construed, or regarded as being for the benefit of or creating any Company obligation, either expressed or implied, toward any third person or legal entity other than the customer. The company’s entire liability to any person for interruption or failure of 911 Service shall be limited to the terms specified in this Tariff or by statute.
