Subject: BLANKET CONSTRUCTION PERMIT (Buckeye Wind Ph. 2)
Aeronautical Study No: 2012-DOT-196-OE

To Whom It May Concern,

In response to the applications received on the above date concerning the proposed construction described above, a study has been conducted under provisions of Ohio State Law Chapter 119, Section 4561.34 of the Revised Code to determine whether proposed construction would be an obstruction to air navigation. The findings of that study are as follows:

The proposed construction exceeds obstruction standards adopted under Section 4561.32 of the Ohio Revised Code, but will not effect the safe and efficient use of the airports nor effect the safety of persons and property on the ground. However, the following applies to the construction proposed:

Notice is required if the project is abandoned or modified; maximum height (see attached) feet AMSL.

Obstruction Marking and/or Lighting is required.

The structure should be obstruction marked and lighted per current FAA Advisory Circular (AC 70/7460-1K) "Obstruction Marking and Lighting",

Chapters: -3 -4 -5 -6 -7 -8 -9 -12 -13

Required lighting SHALL be maintained in operable condition.

Compliance with FAA conditions of approval.

This authorization to initiate construction/alteration of the subject proposal expires on November 1, 2012 unless it is extended, revised or terminated by the Ohio State Department of Transportation. This permit does not exempt you from contacting local zoning authorities regarding compliance with local zoning ordinances. Please see attachment for proposed permitted construction.

If you have any questions, please call; (614)387-2358.

Respectively,

E-SIGNATURE
